

Discount giant shops with PTSG

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist services for a major international discount retailer.

The brand is a family supermarket chain that takes pride in providing its customers with the highest quality products at the lowest possible prices. Originating in Germany, there are over 12,000 stores in almost every member state of the European Union, Switzerland, Serbia and the USA. In the financial year of 2015, its Great Britain's revenue from its (over) 630 stores throughout Britain was £4.7 billion.

In this contract, engineers from [PTSG Building Access Specialists Ltd](#) will deliver specialist glazing works at a number of stores for the client.

PTSG's technicians undertake all types of glazing projects, from basic sealant repairs to large-scale glass replacement. As experienced installers of a wide range of glass, PTSG's teams are experienced in replacing and installing glazing in complex locations such as atriums, canopies and high rise buildings. Its in-house fleet of specialist access plant equipment also gives PTSG a head start on every job, meaning quicker mobilisation and lower costs.
