

PTSG accepted at Solihull College

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS, has been contracted to deliver specialist water treatment services at Solihull College.

Solihull College & University Centre, formerly called Solihull Technical College, is a further education college located in the Metropolitan Borough of Solihull, in the West Midlands, England. The College has two main campuses; the Blossomfield Campus near central Solihull and the Woodlands Campus based in Smith's Wood, north Solihull.

The facility offers a variety of courses ranging from vocational courses to foundation-level programmes and apprenticeships. It also offers a variety of university-level qualifications including HNCs and HNDs, foundation degrees, top-up degrees, master's degrees and full BA degrees.

In this contract, engineers from [PTSG Water Treatment Ltd](#) will deliver a variety of water treatment services to Solihull College, ensuring a safe and sustainable environment for all.

PTSG is one of Europe's leading providers of specialist services, working on buildings in all sectors, inside and out, high and low, to keep them safe, clean and compliant in all areas. Its teams form close collaborative working relationships to become extensions of its clients, from principal contractors in construction and FM to public sector bodies and end-user consumer brands.
