

## PTSG delivers specialist services for London's smallest Borough

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has completed a specialist electrical services project for the Royal Borough of Kensington and Chelsea.

The Royal Borough of Kensington and Chelsea is an inner London borough with royal status. It holds the title of the smallest borough in London and the second smallest district in England; it ranks as one of the most densely populated administrative regions in the United Kingdom.

Engineers from [PTSG Electrical Services Ltd](#) completed the testing and inspection of [lightning protection systems](#) for buildings for the Royal Borough of Kensington and Chelsea..

PTSG has previously completed projects involving a variety of different specialist services in other London boroughs. In 2020, engineers from PTSG Fire Solutions Ltd undertook the testing of dry and wet risers installed at well over 50 different sites for Hammersmith and Fulham London Borough Council. They make two visits per year to ensure they are operating to the required standards and to highlight and rectify any defects.
