

PTSG to visit new Scotland Inpatient Unit

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist Access & Safety services at Foxgrove – the new National Secure Adolescent Inpatient Service for Scotland (NSAIS).

The unit will be on the Ayrshire Central Hospital campus in Irvine, North Ayrshire and will provide appropriate care for young people from across Scotland. It aims to provide a dedicated and appropriately skilled multidisciplinary healthcare team to deliver the level of care that these young people deserve, closer to home.

In this contract, engineers from [PTSG Access & Safety Ltd](#) will install walkways and mansafe systems. They will facilitate safe access to the roof of the new unit for operatives to carry out vital maintenance work.

PTSG Access & Safety Ltd is the original business division of PTSG, established in 2007. The other four divisions are: PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd, PTSG Fire Solutions Ltd and PTSG Water Treatment Ltd. As a whole, PTSG can meet the full specialist services requirements of even the largest customers.
