

## PTSG works with farming nutrition expert

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS, has been contracted to deliver specialist water treatment services to support Scotmin Nutrition Ayr.

Formed in 1979, Scotmin Nutrition began as a family business supplying nutritional supplements to local farmers, growing into one of the largest supplement businesses in the UK. Its nutritional experts have over 100 years combined experience in dairy, beef and sheep nutrition to help ensure that customers achieve maximum performance at minimum cost. Services cover everything from analysing silage to developing tailor-made rations for animals.

The company strives to reduce its carbon footprint through efficient logistics and by shipping over 57% of our bulk mineral materials via the Port of Ayr, two kilometres from its factory. Its product range includes mineral supplements, molassed mineral tubs, protein concentrates, forage additives and specialised products.

[PTSG Water Treatment Ltd](#) has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in many different industry sectors.
