

PTSG enters The Portal in West London

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has contracted to deliver specialist electrical services at a new development in West London

The Portal is a residential-led development in North Acton. The 36-storey, 119.25-metre-high residential building designed by HTA will provide 350 new homes to the long-term rental market. The scheme includes 35% Affordable Housing (118 units) with a broad range of tenures including London Affordable Rent, London Living Rent and Discount Market Rent.

In this contract, engineers from [PTSG Electrical Services Ltd](#) will install a new lightning protection system. Such systems protect tall buildings and their users in the event of an electrical storm.

PTSG is the UK's leading provider of lightning and surge protection, as well as power earthing systems. Its engineers deliver new installations, testing and inspection, maintenance and upgrades for customers in all industry sectors.

PTSG Electrical Services Ltd is one of the Group's five independent business divisions, the other four being: PTSG Access & Safety Ltd, PTSG Building Access Specialists Ltd, PTSG Fire Solutions Ltd and PTSG Water Treatment Ltd.
