

PTSG specialist completes half-marathon for local hospice

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) is proud to celebrate the fundraising achievements of one of its [Water Treatment](#) specialists.

Antony Bolger, Regional Operations Manager for Total Environmental Compliance, which became part of PTSG in 2021, recently completed the Liverpool Half Marathon to raise money for Claire House Children's Hospice.

Antony raised over £400 for the hospice,, which helps seriously and terminally ill children make the most of the time they have, however long or short that may be. Claire House provides specialist nursing and end of life care, as well as emotional support, helping families through some of the toughest times of their lives.

At any given time, individuals from PTSG, which employs over 2,700 specialists throughout the UK and Europe, are involved in a variety of endeavours in their own time to raise money for causes that are important to them. PTSG is pleased to support anyone with the dedication for such endeavours and would like to congratulate Antony on his achievement in Liverpool.
