

ALDI partners with PTSG

2 years ago

HCS, a constituent company of [Premier Technical Services Group Ltd \(PTSG\)](#), has secured a contract to deliver specialist water treatment services for ALDI nationwide.

Aldi launched in the UK on 5 April 1990, when it opened its first store in Stechford, Birmingham. Over more than 30 years, it has grown to operate over 1,010 stores, with a long-term commitment to open a further 500.

As part of this contract, engineers from HCS will deliver water risk assessments for ALDI UK, all water hygiene services, sampling and remedial works where required.

PTSG has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in many different industry sectors.
