

Michael Vitfell-Rasmussen appointed as Head of Group Investor Relations at ISS

1 year ago

[ISS A/S](#) has announced the appointment of Michael Vitfell-Rasmussen as new Head of Group Investor Relations. Michael will join ISS on 1 August 2024 and will be based in the Group's Headquarters in Copenhagen.

Michael brings over 20 years of equity market and financial experience, working as an analyst covering a wide range of disciplines and industries, including shipping, brewers, retail, transportation, and service companies. Michael joins ISS from Danske Bank and prior to this, he held various senior analyst and research positions in ABG Sundal Collier, SEB Enskilda, and Gudme Raaschou. Michael has an MSc in Finance and Accounting from Copenhagen Business School.

"I am truly excited to welcome Michael to the ISS team. ISS is on an exciting journey, having developed into a value-creating enterprise over the past few years. With Michael's extensive knowledge of the equity market, I am confident that he will contribute greatly to strengthening this narrative with our key stakeholders", says Mads Holm, Group CFO of ISS as of 3 June 2024.

"This is an exciting opportunity, and I very much look forward to entering the 'machine room' of a global people company operating in over 30 countries. ISS is on a growth journey with an ambitious management, a unique operating model, and more than 350,000 employees delivering value for customers every single day. I am eager to translate this dedication into a business case within the equity market", says Michael Vitfell-Rasmussen.

Michael will take over the role from the current Head of Group Investor Relations, Jacob Johansen, who has pursued opportunities outside of ISS.
