

Meet Jiger Shah, Sitemark's Associate Procurement Manager

1 year ago

Jiger joined [Sitemark](#) in July 2023 as Associate Procurement Manager bringing with him a wealth of expertise in procurement and supply chain management. He's already a key member of the team and contributing significantly to the company's objectives and growth. With an MSc in Logistics and Supply Chain Management (Distinction) and a PGP in Infrastructure Development, he seamlessly manages end-to-end tender projects.

In his previous roles working with Ernst & Young, Deloitte, and Boston Consulting Group, Jiger demonstrated an exceptional ability to streamline procurement processes, run efficient bid process management, optimise supplier relationships, and identify cost-saving opportunities while maintaining the highest quality standards. His insights and strategies have led to tangible improvements and successes in his previous positions, making him an invaluable asset to our team.

Jiger says: "In managing FM procurement and tender management at Sitemark, I find immense satisfaction in bridging the gap between our clients' needs and the best market solutions. It is rewarding to see how our strategic approach and meticulous process result in efficient, sustainable, and cost-effective FM solutions. Each successful tender is a testament to our commitment to excellence and innovation."

Jiger plays a pivotal role in ensuring our procurement operations continue to excel and evolve. He's dedicated to fostering strong supplier partnerships, and implementing innovative procurement strategies that align with Sitemark's values and goals. Jiger is instrumental in driving our procurement initiatives to new heights and brings a fresh perspective to the team.

Outside of work, Jiger is enthusiastic about playing cricket and table tennis.
