

PTSG helps make council buildings safe

June 12, 2024

Premier Technical Services Group Ltd (PTSG) has re-secured a contracted to deliver specialist fire solutions for public sector buildings.

Engineers from PTSG Fire Solutions Ltd will deliver the next phase of the council's fire alarm project across its residential portfolio. The project is a life-cycle upgrade and cause and effect design changes based on risk assessments carried out to blocks of flats.

PTSG Fire Solutions Ltd delivers fire detection and life safety systems, fire suppression systems and equipment, passive fire services and security solutions. Its provision of fire detection and alarm systems ranges from stand-alone conventional systems up to multi-site networked addressable fire detection systems.

The Group's engineers pride themselves on delivering high-quality work to exacting standards; PTSG holds prestigious third-party accreditations including LPS104 and BAFE SP201, which underline the quality of its work.

PTSG Fire Solutions Ltd is one of the Group's five independent business divisions; the other four are PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd and PTSG Water Treatment Ltd.
