

PTSG raises money in abseil event

1 year ago

On 21st April, two members of Guardian Electrical Compliance – part of [PTSG Electrical Services Ltd](#) – took part in a charity abseil event to raise funds for The Children’s Hospital Charity.

The event saw Mick and Hayley abseiling 140 feet down the Owen Building at Sheffield Hallam University. The Children’s Hospital Charity is a charity that is very close to the hearts of the team at Guardian, which is headquartered in Sheffield, who have supported them numerous times in recent years. Between the two teams that took part in the abseil event, a wonderful total of £1,841 was raised.

With over 2,700 people employed throughout the group, PTSG undertakes a great many events and raises funds for a wide range of good causes. Past events include the National and Yorkshire Three Peaks Challenges, Marathons, half-marathons and 10k runs, Tough Mudder events and even a Muddy Dog Challenge!
