

Sitemark's new Project Manager, Lucy Blunt, brings experience and leadership to the team

1 year ago

Sitemark is delighted to welcome Lucy Blunt as its newest Project Manager. Lucy brings a wealth of experience from her work in the Higher Education sector, which she's already putting to great use with Sitemark's newest client, the largest provider of student accommodation.

Lucy says, 'I'm excited to join Sitemark's innovative team. Sitemark are one of the UK's leading facilities management specialists so it's great to learn from them as well as bringing my own skills and experience to help drive their success'.

Lucy's career in Facilities Management spans two decades and includes work in sectors such as the NHS, local authority, education, and housing. She takes great pride in motivating and influencing teams, which she says is the cornerstone of her success.

Mike Boxall, Managing Director of Sitemark is delighted with the latest recruit, 'Lucy is a highly driven and strong leader with a proven track record of growing teams. She's an asset to the Sitemark team and we look forward to seeing her grow with us.'

Sitemark are always on the lookout for talented Facilities Management professionals to join its growing team. To find out more, head to www.sitemark.co.uk
