

PTSG provides specialist treatment for NHS

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS, has been contracted to deliver water treatment services for NHS Highland.

NHS Highland is one of the fourteen regions of NHS Scotland. Geographically, it is the largest Health Board, covering an area of 32,500 km² (12,500 square miles) from Kintyre in the south-west to Caithness in the north-east, serving a population of 320,000 people.

NHS Highland is responsible for a number of different types of hospital – a large district general hospital, three rural general hospitals, a psychiatric hospital and a number of community hospitals.

In this contract, the team from HCS will deliver a variety of water treatment services. [PTSG Water Treatment Ltd](#) offers a wide range of services in industrial water hygiene and water treatment, combining the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. PTSG is trusted to ensure water safety, protection from Legionella and decontamination from many other bacteria and viruses.
