

Rapid Energy appoints new Operations Director

1 year ago

[Rapid Energy](#) is thrilled to announce that Keith Price has joined the Rapid Energy team as its new Operations Director.

This exciting addition underscores the firm's commitment to delivering exceptional service and expanding operations throughout the UK.

Keith Price brings a wealth of experience in business leadership, operations management, and strategic planning. He has held pivotal roles at Andrews Sykes Group PLC, where he oversaw operational aspects, spearheaded restructuring efforts, and implemented growth strategies.

"Keith's vast experience and proven leadership skills make him an ideal fit for Rapid Energy," said Julien Fouger, CEO of Rapid Energy. "We are confident that his strategic vision and operational expertise will further enhance our service offerings and drive our expansion efforts. Our 'Exceptional' status on Feefo reflects our dedication to customer satisfaction, and Keith will play a pivotal role in maintaining and elevating this standard."

Expressing his enthusiasm, Keith Price stated, "I am thrilled to join Rapid Energy, a company that truly values its customers and is dedicated to delivering best-in-class customer service. I look forward to working with the team to build on the strong foundation already in place and help lead the company into its next phase of growth."

"Rapid Energy's focus on customer-centric solutions and exceptional service remains at the heart of its operations. With Keith Price on board, we are well-positioned to enhance our market presence and continue providing high-quality HVAC hire solutions to clients nationwide."
