

## BGIS and Close Brothers Extend Partnership with a Focus on Sustainability

1 year ago

BGIS is thrilled to announce a significant extension to our partnership with Close Brothers, reaffirming a commitment to deliver top-tier Facilities Management Services across their national portfolio for an additional five years.

This renewed agreement underscores our joint dedication to driving performance-led delivery, with a strong focus on achieving Net Zero Carbon goals, enhancing sustainability, and leveraging data-led maintenance.

Toby Coulton, Head of Workplace for Close Brothers, expressed his excitement about the continued collaboration: "I'm delighted to see our relationship go from strength to strength. We can't wait to see more of the innovation, value, and team celebrations that this partnership is known for!"

This contract extension is a testament to our robust collaboration and shared vision for a sustainable and efficient future. Our teams are eager to continue this journey, building on the successful foundation we have established. We are committed to bringing innovative solutions and exceptional service to Close Brothers, enhancing their operations and contributing positively to their sustainability objectives.

As we move forward into this next chapter, BGIS looks forward to setting new standards in facilities management together with Close Brothers, making a lasting impact and continuing to lead the way in sustainable and efficient facilities management solutions.
