

PTSG books into luxury hotel in Aberdeen

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via component company HCS Water Treatment Ltd, has been contracted to deliver specialist support services to Marcliffe Hotel, Aberdeen.

Set in eight acres of picturesque grounds, The Marcliffe Hotel and Spa, is a luxurious, relaxing and welcoming family-owned five-star Scottish country hotel.

At the gateway of the scenic Royal Deeside route in the North East of Scotland, the hotel is a prime location for all visitors, offering the best of local home-made Scottish cuisine and a place where visitors will feel at home

In this contract, engineers from [PTSG Water Treatment Ltd](#), of which HCS is part, will deliver a variety of water treatment services. PTSG's engineers are not just water treatment specialists. They are also members of the Legionella Control Association (LCA). Their Quality Management System for all work activities is upgraded to the ISO 9001/ISO 14001/ISO 45001 standards. PTSG is a Constructionline approved contractor and has accreditation with the Source Testing Association (STA), SafeContractor, CHAS and BOHS.
