

PTSG to work with Scottish housing association

1 year ago

Premier Technical Services Group Ltd (PTSG), via constituent company HCS, has secured a contract to deliver specialist water treatment services for Argyll Community Housing Association.

ACHA is a community led organisation directed by a voluntary Board of Management. As Scotland's eighth largest housing association, ACHA houses over 10% of the population of Argyll and Bute and employs around 200 staff.

It is a Registered Social Landlord providing more than 5,000 affordable homes for rent. We aim to be a modern Landlord of choice in Argyll and Bute by meeting housing need and providing high quality services.

In this contract, engineers from PTSG Water Treatment Ltd will deliver a variety of services to support Argyll Community Housing Association.

HCS has extensive experience of successfully managing multiple water hygiene and water treatment contracts for customers in different industry sectors. It is a previous winner at the RoSPA Water Sector Award. The company has also received the RoSPA Scottish Trophy (Highly Recommended). This latest award from RoSPA continues the company's excellent record in health and safety.
