

PTSG works with social housing provider

8 months ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist electrical services for one of the largest social housing providers in the UK.

Stonewater owns and manages over 39,000 homes for more than 82,000 customers. As a registered social landlord, the social housing provider ensures safe, affordable housing for people of all ages and backgrounds.

Stonewater is driven by its vision of giving everyone the opportunity to have a place that they can call home; therefore, it offers homes for rent, shared ownership and sale. It also has specialist housing, retirement and supported living schemes for older and more vulnerable people, domestic abuse refuges, LGBTQ+, Safe Spaces, and young people's foyers.

In this contract, [PTSG Electrical Services Ltd](#) is carrying out electrical installation condition reports (EICRs) in 1,000 properties. Also known as a periodic inspection report or fixed wiring testing, the main purpose of an EICR is to evaluate the safety and condition of the electrical installation in a building. It aims to identify any potential hazards, faults or non-compliance with electrical regulations.
