

Stadium Support Services announced as official projects partner of Bradford City AFC

2 years ago

The four-year partnership marks a new chapter for the club, as Stadium Support Services, a family-owned and operated facilities management company, will play a key role in the continued enhancement of the University of Bradford Stadium.

City's Chief Commercial Officer, Davide Longo, expressed his excitement about the collaboration, stating: "We are thrilled to be welcoming Stadium Support Services on board as our newest principal partner. They are an impressive company who will be helping us in our continued efforts to make the University of Bradford Stadium a more pleasant, welcoming place for supporters.

"Having worked on some fantastic national stadia such as Wembley and Twickenham, they arrive with a wealth of experience and ability to do great things with us. I would like to take this opportunity to thank Scott and his team for their hard work and co-operation and am looking forward to what will hopefully prove a long and successful relationship."

Stadium Support Services brings 20 years of experience in facilities management across the sports, leisure, and commercial property sectors. With a focus on sustainability and fast-turnaround FM solutions, they are committed to supporting Bradford City AFC's facilities and ensuring operational excellence, cost efficiency, and a positive impact on the local community.

Scott Hudson, Managing Director at Stadium Support Services, shared his thoughts on the partnership: "For me, we must align strategically with organisations that share our values and ambitions. We've been

genuinely impressed with the vision and culture at Bradford City AFC. As the official projects partner, we eagerly anticipate the many opportunities to collaborate and create a stadium environment that benefits players, fans, and the community alike."

Steven Mehta, Account Director at Stadium Support Services and lifelong Bradford City AFC fan, expressed his personal connection to the project: *"Overseeing this exciting new partnership is a dream come true. Our commitment to facilities management is driven by a genuine passion for supporting the club's best interests. We are dedicated to bringing our expertise and care to ensure that this partnership not only enhances the club's facilities but also contributes positively to its growth and success. I can't wait to support the club both on and off the pitch."*

Stadium Support Services is proud to join forces with Bradford City AFC, aiming to deliver sustainable, high-quality projects that will elevate the club's infrastructure and create a welcoming environment for supporters and the community.
