

Workplace Achieves B Corp™ Certification, Joining Global Movement for Inclusive and Sustainable Business

2 years ago

[Workplace](#) is proud to announce that it has become one of the few cleaning and facilities management companies that are a Certified B Corporation™. With a score of 88.8, Workplace has been shown to meet the high social and environmental performance standards, transparency, and accountability.

This significant milestone places the company among an elite group of 2000 UK companies using business as a force for good, dedicated to building a more inclusive, equitable, and regenerative economy.

Stephen, CEO of Workplace, has this to say about their recent accolade: “We are thrilled to join the global B Corp community. This certification underscores our commitment to sustainability, ethical practices, and transparency. It’s a testament to our team’s hard work and dedication to creating positive social and environmental impact. This certification validates our efforts and inspires us to continue striving for excellence in all that we do.”

Nancy, Founder at True Horizon, who supported Workplace through the accreditation, adds: “Guiding Workplace through the B Corp certification process has been a remarkable journey. This achievement reflects their unwavering commitment to better business practices and dedication to continuous improvement.”
