11 months ago

[OCS](#), a global leader in facilities services across sectors including government infrastructure, manufacturing, data centres, healthcare, and aviation, together with [Antah Group](#), a prominent conglomerate with a strong presence in industries including healthcare, power generation, property development, and IT & telecommunications, are pleased to announce the formation of a strategic joint venture.

This joint venture combines OCS's extensive global expertise in facilities services with Antah Group's diverse local investments and market presence. The partnership aims to expand its footprint in the facilities services sector and enhance the delivery of high-quality solutions in Malaysia.

Embracing Malaysia's Growth Potential

Looking at the Malaysian market, they see massive growth and potential. Malaysia is growing to become the hub in Asia for education, data centers, and manufacturing. With the economy developing at rapid speed, they believe that they can contribute and play their part in this important phase of development in Malaysia.

Strategic Importance

The signing of the joint venture agreement was witnessed by the Minister of Digital, YB Tuan Gobind Singh Deo, underscoring the strategic importance of this collaboration to Malaysia's digital and economic development.

Focus on Public Sector Projects

The new joint venture will focus on delivering exceptional facilities services, with a particular emphasis on projects within the public sector. This partnership aligns perfectly with OCS's commitment to fostering growth and supporting the communities it serves.

"The collaboration between Antah and OCS signifies a new chapter in our journey towards excellence in facilities services. By leveraging our collective strengths, we are poised to set new benchmarks in service delivery and operational efficiency, thereby contributing significantly to the nation's economic and digital ambitions."

HH Tunku Alauddin, representing Antah Group

HRH Tunku Naquiyuddin ibni Tuanku Ja'afar: "This joint venture with OCS, represents a pivotal moment for Antah Group, as we strengthen our capabilities in facilities services. By combining our local expertise with OCS's global leadership, we are uniquely positioned to deliver comprehensive and innovative facilities solutions that will significantly enhance the efficiency and quality of facilities services in Malaysia."

HRH Tunku Naquiyuddin ibni Tuanku Ja'afar

"This joint venture marks an important milestone in our journey to expand our business across Malaysia and strengthen our local footprint. I am excited about the numerous opportunities this partnership will bring and our ability to contribute to Malaysia's ambitious economic growth and development plans. We share many synergies with Antah Group, including our values, passion for innovation, and respect for people and the environment."
