

PTSG goes to work in the Royal Borough of Kensington and Chelsea

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has secured a contract to deliver specialist Access & Safety services at buildings within the Royal Borough of Kensington and Chelsea.

The Royal Borough of Kensington and Chelsea (often known by its acronym as RBKC) is an Inner London borough with royal status. It is the smallest borough in London and the second smallest district in England; it is one of the most densely populated administrative regions in the United Kingdom. It includes affluent areas such as Notting Hill, Kensington, South Kensington, Chelsea, and Knightsbridge.

Notable buildings within the borough include Chelsea Bridge, the Albert Bridge, Royal Hospital Chelsea, the Natural History Museum, Kensington Palace and the Victoria and Albert Museum. There are seven universities including Imperial College London, and two colleges of further education.

In this contract, engineers from [PTSG Access & Safety Ltd](#) will deliver annual inspections for fall protection assets at 17 sites within the Royal Borough of Kensington and Chelsea.

For PTSG, Access & Safety covers all types of equipment that allows engineers to safely access all areas of every kind of building to carry out specialist services – from the testing and certification of roof anchor points to the servicing and maintenance of the world’s largest BMUs.
