

Stadium Support Services announces partnership with MK Dons FC as official projects partner and back-of-shorts sponsor

11 months ago

[Stadium Support Services](#) is pleased to announce its appointment as the official Projects Partner of MK Dons Football Club.

With over 20 years of experience across the sport, leisure, and commercial property sectors, Stadium Support Services is committed to helping MK Dons maintain and improve their stadium to the highest standards.

Scott Hudson, Managing Director at Stadium Support Services said: "We are incredibly proud to be named the official Projects Partner for MK Dons with this partnership marking an exciting new chapter for both the club and Stadium Support Services. Our team is fully committed to delivering high-quality projects and comprehensive facilities management services that will enhance every aspect of the stadium. From improving the fan experience to ensuring optimal conditions for players and visitors, our focus is on making Stadium MK a venue that reflects the club's ambitions. We look forward to working closely with MK Dons under its new ownership to make a real impact."

The agreement will ensure that MK Dons continues to offer a best-in-class stadium experience for supporters, players and visitors alike.

Nielsen Stead, MK Dons Group Operations Director, said: "We're very excited to be working with Stadium Support Services under the leadership of Scott Hudson and his team. Stadium Support Services bring a

wealth of industry knowledge and expertise and will undoubtedly be a fantastic addition to our in-house team, helping us maintain Stadium MK to the highest standards possible.”
