

Emergency services provider calls on PTSG

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company Total Environmental Compliance (TEC), has been contracted to deliver specialist water hygiene services for an NHS ambulance service based in the east of England.

TEC already works for a number of clients in the NHS and has a great deal of experience of the practices and procedures required in the healthcare sector. In this contract, engineers from [PTSG Water Treatment Ltd](#) will deliver a water hygiene programme, with a variety of water hygiene monitoring services across its 82 sites in accordance with HSE, British standards, HSG274, HTMs.

PTSG, through its comprehensive provision of water hygiene, water treatment and remedial services, is a trusted partner for clients in all industry sectors. Its services ensure the safe management of water systems, with protection from Legionella and compliance with the necessary regulations. The focus is always on reliability and sustainability and saving companies time and money.
