

PTSG company gains place on CHIC purchasing system

11 months ago

HCS Water Treatment (HCS), part of [Premier Technical Services Group Ltd \(PTSG\)](#), has gained a place on the CHIC (Communities and Housing Investment Consortium) Total Facilities Management DPS for Category 1: Hard Facilities Management – Water Hygiene and Legionella.

For projects that utilise the DPS (Dynamic Purchasing System) route to market, only firms registered on CHIC eSourcing, with active status in the CHIC DPS – Approved list of Contractors/Consultants will be considered for inclusion on the tender process and eligible to submit a Tender Response (TR).

HCS is the product of a passion to make a real difference in an industry where caring for customers is all-important. Its teams use the very latest technology and stand at the cutting edge of the industry. They also work closely with their customers, becoming an extension of their business. In doing so, they are a trusted partner, ensuring water safety, protection from Legionella and decontamination from many other bacteria and viruses.

HCS is an integral part of [PTSG Water Treatment Ltd](#), one of the Group's five independent business divisions. Alongside the other four divisions (Access & Safety, Electrical Services, Building Access Specialists and Fire Solutions) they provide customers with a full specialist services solution.
