

PTSG to deliver text book solution at school

2 years ago

Premier Technical Services Group Ltd (PTSG), via constituent company Total Environmental Compliance (TEC) has secured a new contract with a large multi-academy trust in the East Midlands.

In this contract, PTSG's engineers will be delivering a programme of water system risk assessments and water hygiene services throughout 37 primary, secondary and special academies.

TEC has a significant client portfolio of nurseries, schools, colleges and universities. Its expert teams attend nationwide sites to undertake statutory and routine inspections using the latest technology and software. All water hygiene technicians, risk assessors and engineers are enhanced DBS checked and are experienced working across all education settings.

PTSG offers a wide range of services in industrial water hygiene and water treatment, combining the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. The Group is a trusted partner to its clients, ensuring water safety, protection from Legionella and decontamination from many other bacteria and viruses.
