

Sandeep Banga joins PTSG as new Mergers & Acquisitions Director

1 year ago

PTSG is delighted to announce that Sandeep Banga ACA has joined PTSG as the Group's new Mergers & Acquisitions (M&A) Director.

Sandeep is a qualified Associate Chartered Accountant (ACA) with experience in mid-market private equity, corporate M&A and advisory roles. He has diverse sector experience including business and residential services, technology, media and telecoms (TMT) and education.

Prior to joining PTSG, Sandeep worked for Key Capital Partners LLP (UK mid-market fund) where he was the company's Investment Director. He has also worked at HomeServe Plc as Head of Corporate Development, and he started his career with BDO LLP (formerly Moore Stephens) where he was M&A Advisory Associate.

Nikhil Varty, CEO, said: "It is my pleasure to welcome Sandeep to PTSG as our new Director of Mergers and Acquisitions. His extensive experience in this field will be pivotal as we continue to drive our ambitious growth strategy. Sandeep's role will be crucial in identifying and executing strategic acquisitions that complement our business, enabling us to strengthen our market position and deliver enhanced value to our customers. We are confident that his leadership and expertise will play a key role in shaping the future success of PTSG. We look forward to the exciting opportunities ahead under his direction."

Paul Teasdale, Executive Chairman at PTSG, said: "I am delighted to welcome Sandeep to the mergers and acquisitions team here at PTSG. His appointment marks a significant step forward in strengthening our team and building on the successful work we have accomplished together so far. I look forward to working closely with him as we take PTSG's growth strategy to the next level."

PTSG has a long and successful history of acquiring companies. Sandeep will add to the skill set of the

Group as well as broadening its geographical reach. He will be instrumental in driving forward PTSG's acquisitions strategy and facilitating the smooth integration of new companies into the Group.
