

Atlas London wins contract with Folk Co-Living

2 years ago

[Atlas London](#), the cleaning and support services provider, has been appointed by Folk Co-Living at its residential developments in Harrow, Earlsfield and Battersea. The contract includes daily facilities cleaning, post-occupancy apartment cleaning, window cleaning and specialist cleaning of the flooring and furnishings.

Folk Co-Living, DTZ Investors' co-living brand operated by Urban Bubble, is transforming the world of renting by building residential communities with extensive shared facilities and responsive on-site teams. It recently won the Top Rated Co-Living Community Award at the HomeViews Resident Choice Awards 2024 for its Harrow scheme.

Paul Naylor, General Manager, Folk Co-Living commented: "Folk takes all the best bits of co-living and combines them with state-of-the-art design and innovative technology to make for a more sociable and hassle-free rental experience. We are very pleased to be working closely with Atlas London, and excellent communication between the teams ensures the highest standards of cleanliness."

Martin Fitch, Managing Director Atlas London commented: "The London property market has responded to increased rental demand by building new, modern build to rent (BTR) and co-living developments. We are delighted to be supporting Folk Co-Living's communities by delivering exceptional cleaning standards combined with the best resident experience."
