

Bidvest Noonan Secures Contract to Deliver Cleaning, Security, and Guest Services to top 10 UK shopping destination, centre:mk.

9 months ago

Bidvest Noonan, a leading provider of FM services, has been awarded a contract to deliver cleaning, security, and guest services at centre:mk, one of the UK's leading shopping destinations.

For over 40 years, centre:mk has been at the heart of Milton Keynes, offering a comprehensive mix of more than 150 stores, a variety of restaurants and cafés, convenient parking, and award-winning facilities. Renowned for also hosting a huge number of events each year, centre:mk provides a vibrant and enjoyable shopping experience for millions of visitors annually.

Bidvest Noonan has a strong reputation and a proven track record in the Retail sector. The business will help the centre to ensure every visitor enjoys a safe, welcoming, and pristine environment.

David Barker, Chief Growth Officer at Bidvest Noonan, said: "We are delighted to partner with centre:mk, a destination renowned for its impressive retail and dining offering and its commitment to providing exceptional visitor experiences. Our team brings extensive expertise in cleaning, security, and guest services to support centre:mk in delivering a safe and welcoming environment, and outstanding customer service experience for every visitor."

Kevin Duffy, Centre Director added, "At centre:mk, we pride ourselves on welcoming every visitor with the best possible shopping experience with our vast array of retailers and brands, underpinned by exceptional,

personalised service from the centre:mk team. We look forward to working with Bidvest Noonan to ensure our guests receive the highest standards of guest care, safety and cleanliness every time they visit.
