

Brendan McNulty Joins PTSG as new Managing Director of Fire Solutions

9 months ago

Premier Technical Services Group Ltd (PTSG) is delighted to announce that Brendan McNulty has joined the company as the Group's new Managing Director of Fire Solutions.

Brendan is a highly experienced operator and change leader in the UK HVAC and fire services sector. Starting out as an apprentice technician nearly 40-years ago running field services, he has worked for leading businesses in the sector (such as Johnson Controls and Chubb) in progressively senior roles. For the past five years at Chubb, he has led the UK&I business and the Europe business.

As the biggest of the Group's five independent business divisions, PTSG Fire Solutions Ltd has a large and varied team committed to delivering top-tier fire safety services that protect people and properties across the UK and in the Netherlands. As its new Managing Director, Brendan reports to CEO Nikhil Varty. His role will be to drive outstanding customer experiences, strong people management, commercial growth and margin expansion while ensuring safety compliance and fulfilling all other operational delivery priorities.

Nikhil said: "I am pleased to welcome Brendan McNulty as the new Managing Director of our Fire Solutions division. His leadership will be instrumental in delivering our commitment to providing the highest level of safety and compliance for our customers. Brendan brings a wealth of experience in fire safety, and his expertise will help ensure that PTSG remains at the forefront of the industry, delivering innovative and reliable fire solutions. We are excited to see how his strategic vision will contribute to our ongoing success and enhance the value we provide to our customers."

Brendan joined PTSG on Monday 04 November 2024.
