

PTSG to deliver textbook lightning protection solution

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist electrical services at Millfield Community School in Hackney, East London.

Millfields is a diverse, creative and inclusive three-form entry primary school, with an Autistic Resource Provision, at the heart of the local community. The school prides itself on developing confident, independent and creative change-makers. Pupil voice and pupil participation is paramount. A respect for the rights of all and a love of learning informs the school's curriculum and enrichment activities.

In this contract, engineers from [PTSG Electrical Services Ltd](#) will install a new lightning protection system at the school. This will protect the structure and all pupils and school staff in the event of an electrical storm.

PTSG Electrical Services Ltd is one of five independent business divisions of PTSG. The other four are PTSG Access & Safety Ltd, PTSG Building Access Specialists Ltd, PTSG Fire Solutions Ltd and PTSG Water Treatment Ltd. PTSG stands out by providing a range of specialist services under one roof. This distinction has positioned the Group as offering something extra compared to its single-service competitors.
