

Richard Irvin FM wins UHI Perth Multi Trade-Plumbing & Heating Maintenance Contract

2 years ago

UHI Perth has awarded [Richard Irvin FM](#) a two-year contract to provide Heating Maintenance services across their entire property portfolio.

Through this partnership we will support UHI Perth's current and future operational management by delivering planned heating maintenance that ensures the safety, efficiency and reliability of their heating systems across all campus buildings located at Crieff Road, Perth.

UHI Perth, an anchor institution for Perth and Kinross, supports individuals of all ages and backgrounds to gain skills and qualifications, strengthening the local economy by delivering the skilled workforce that businesses need. An academic partner within the University of the Highlands and Islands (UHI), offering higher and further education, UHI Perth offers courses ranging from essential skills to postgraduate degrees across a varied range of subjects.

Stuart Lawrie, MD, Richard Irvin FM, said: "This new contract strengthens our presence in the PH postcode area and reinforces our commitment to excellence in compliance and Heating Maintenance. We are eager to deliver meaningful benefits for UHI Perth and its students and look forward to the opportunities that lie ahead!"
