

Stadium Support Services celebrates turning 20!

9 months ago

Over two decades, [Stadium Support Services](#) has evolved from a local stadium-focused business in the Southeast into a nationwide facilities management company, specialising in projects, fit-outs, reactive maintenance and FM Solutions for the sports, leisure and commercial property sectors across the UK.

In marking this milestone, Stadium Support Services launches new website and announces three initiatives that underscore its commitment to giving back and making a positive impact:

Supporting Mental Health Through Sport: Partnering with Sport in Mind as its nominated charity, Stadium Support Services will promote mental well-being through sports. Together they will work towards driving awareness and raising funds, aiming to make a lasting difference for individuals and communities.

[Commitment to Sustainability:](#) As part of its journey toward carbon neutrality, Stadium Support Services has joined BASIS (British association sustainability in Sport) as well as recently off setting 40 tonnes of CO2 via projects delivered in Malawi.

Commitment to Community: From renewing sponsorships with grass roots sports clubs to organised litter picks, the company believes in supporting local community initiatives and groups.

The launch of the new website www.StadiumSupportServices.co.uk also provides clients with easy access to service offerings, case studies and capabilities while highlighting the company's sponsorships of local and partner clubs. This platform further showcases Stadium Support Services' work and its role in supporting community sports,

"Our journey over the last 20 years has been incredible," said Scott Hudson, Managing Director of Stadium Support Services. "We are grateful for the trust our customers have placed in us, and our initiatives reflect

our dedication to evolving with their needs and the dynamic landscape of facilities management.”

With offices in London, Bristol, Birmingham and Leeds, Stadium Support Services is known for its rapid response capabilities, particularly in emergency reactive maintenance. The company has established longstanding partnerships with clubs like QPR, Bradford City FC and MK Dons, as well as commercial properties nationwide.

As the team at Stadium Support Services looks to the future, they remain focused on building lasting partnerships while delivering exceptional service and creating positive impact in the years to come.
