

The Brewery has closed its doors for another year and it's time to find out who scooped all the trophies...

1 year ago

Oh, what a night! The 2024 [PFM Awards](#) had everything: there was fabulous food, there was drinking, there was dancing, there were crazy photos, there was the hilarious Alex Brooker, and of course, there were the awards themselves!

This year truly was outstanding in terms of talent. The judges were blown away by the quality of the entries they received. In the Partnerships section, the 'Overall Winner' – the partnership deemed by the judges to be the best of all the winners – was hotly contested, with several of the judges putting forward passionately-argued cases for their own preferred partnerships.

In the individual awards, too, the talent was off the charts. The judges had to deliberate long and hard before coming to their decisions – and they recommended that all the finalists for the Account Director, Leader of the Year and Young Leader enter the Awards again next year.

Hopefully they do – but in the meantime, of course, there can only be one set of winners for 2024. So, without further ado, here are all the winners from this year's wonderful PFM Awards!
