

PTSG achieves Avetta TENure certificate

7 months ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has received the special Avetta TENure Anniversary 2024 certificate, celebrating its decade-long partnership. This 10+ year journey of maintaining rigorous compliance standards reflects the Group's unwavering commitment to excellence.

Avetta is a global leader in supply chain risk management. Its rigorous pre-qualification process enables PTSG to ensure that its operations meet the highest industry benchmarks for safety, environmental, social and financial performance. The TENure Anniversary certificate validates PTSG's consistent dedication in helping to build lasting client relationships through proven reliability and the Group's long-standing commitment to excellence.

Special mention goes to Allison Wood, Health and Safety Administrator, for managing PTSG's maintenance and renewal submissions over the last three years, both for Avetta and other management platforms.
