

PTSG's specialist skills are a boon for Midlands schools

7 months ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist electrical skills for YMD Boon, a Midlands-based consultancy.

With over 50 years' experience, YMD Boon is an award-winning team of architects and construction consultants based in Market Harborough, Nottingham, Lincoln and Birmingham. Collectively, they provide a multi-disciplinary service to their clients, from concept to completion.

Alongside constructing great buildings, YMD Boon ensures those who use them are kept safe and compliant by offering health and safety support and property management services. The company's team explores and resolves its clients' challenges, deliver outstanding client care and provides innovative solutions from concept through to completion.

In this contract, engineers from [PTSG Electrical Services Ltd](#) will carry out a test and inspection of the lightning protection system in place at YMD Boon's school portfolio.

[PTSG Electrical Services Ltd](#) is the UK's leading provider of lightning protection services and a member of the Association of Technical Lightning & Access Specialists (ATLAS). Its team of expert engineers are qualified to NVQ Level 2/3 and undertake detailed testing and inspection of completed installations. This includes verifying that testing and installation is in accordance with the correct specification and compliant with all current legislation.
