

PTSG company receives glowing feedback from customer

2 months ago

Total Environmental Compliance (TEC), part of [Premier Technical Services Group Ltd \(PTSG\)](#), recently received strong praise from Citizen, a customer for which its engineering team completed a water hygiene project.

Citizen is one of the UK's most trusted social housing providers. It owns and manages 30,000 homes for diverse communities across the West Midlands, from urban tower blocks to rural villages and towns. Harriet Ginn, Contract Officer Asbestos & Legionella (M&E) at Citizen, commented: "I just wanted to express my gratitude to Michael Darby (TEC Account Manager) and his team for being so efficient and providing such a robust service. All in all, TEC are an amazing contractor to work with (and I don't think we say, often enough, when contractors do a great job!)."

[PTSG Water Treatment Ltd](#) is a trusted partner to its clients, ensuring water safety, protection from Legionella and decontamination from many other bacteria and viruses.

The Group is a member of the Legionella Control Association (LCA). Its Quality Management System for all work activities is upgraded to the ISO 9001/ISO 14001/ISO 45001 standards. It is a Constructionline approved contractor and is accredited by the Source Testing Association (STA), SafeContractor, CHAS and BOHS.
