

PTSG goes to the top for builders' merchant

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist roofing works for one of the UK's foremost independent builders' merchants.

Based in Anglesey, the client employs 5,500 employees across its branch network. With over 250 locations across England, Scotland and Wales, it is a major supplier of product lines in building materials, timber, tools and workwear, painting and decorating, kitchens and bathrooms, electrical and lighting, flooring and tiling, garden and landscaping, roofing, windows and doors, and plumbing and heating – to the trade as well as DIY customers.

In this contract, engineers from [PTSG Building Access Specialists Ltd](#) will carry out roofing works at stores across the UK. PTSG's specialists deliver slate and tile repairs, roof site surveys and photographic reports, roof light replacements, flashing and lead work repairs and cleaning and moss removal.

High-level and ground-level cleaning and maintenance is just one area of PTSG's delivery. As the nation's leading provider of specialist services to the built environment, its four other independent business divisions are: PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Fire Solutions Ltd and PTSG Water Treatment Ltd.
