

# ISS wins large multi-country contract

6 months ago

**ISS**, a leading global workplace experience and facility management company, has announced the acquisition of a significant new contract spanning several European countries. The contract, valued at over DKK 100 million annually, will be implemented throughout the first half of 2025.

This latest win solidifies ISS's position as a key player in the European market and underscores the company's commitment to providing innovative and high-quality workplace solutions.

Carl-Fredrik Bjor, Group Chief Commercial & Revenue Officer at ISS, commented: "We are excited to be trusted with this multi-country outsourcing partnership. Our key focus will be to deliver exceptional services that enhance efficiency, customer experience, and sustainability".
