

Jaguar secures The Gilbert

1 year ago

[Jaguar Building Services](#) has announced they have secured a new M&E contract with CBRE at The Gilbert for a 3-year term.

Following a significant refurbishment in 2021, The Gilbert, located in EC2, now offers its users green spaces, and fabulous roof terraces with impressive views across the City Centre.

The contract will be overseen by Account Manager Elliott Taylor, with Tom Amos as the Business Unit Head.

Elliott commented: “The Gilbert is a fantastic building, and Jaguar has the expertise and technical experience necessary for structures of this kind. I look forward to continuing our partnership with CBRE and ensuring that our M&E solution is both innovative and energy efficient.”
