

PTSG to work at new Weybridge Hub

11 months ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist electrical services for the new Surrey County Council Weybridge Hub.

The new Weybridge Hub will include a new library, youth support service, activity area and business space in a modern, multi-use environment. Lettable tenants will be able to make use of the commercial areas, with a bookable co-working system in place for local businesses and visiting guests. Regional broadcaster Brooklands Radio will also be a part of the new Weybridge Hub when it opens in Spring 2025.

Flexibility and accessibility have been key to the design of the new community hub in Weybridge, with the site sitting within a conservation area and adjacent to listed buildings, including St. James Parish Church, which is view protected. The design will also consider sustainability objectives, with an aim to achieve the highest energy efficiency and carbon reduction targets under LETI guidance.

In this contract, engineers from [PTSG Electrical Services Ltd](#) will provide a new lightning protection system to protect the new Hub and its users in the event of an electrical storm. PTSG Electrical Services Ltd is one of the five independent business divisions of the Group; the other four are PTSG Access & Safety Ltd, PTSG Building Access Specialists Ltd, PTSG Fire Solutions Ltd and PTSG Water Treatment Ltd.
