

ISS signs new contract with large construction company in Türkiye

11 months ago

ISS, a leading workplace experience and facility management company, has expanded its partnership with a large construction customer in Türkiye. The contract's annual value has increased by more than DKK 100 million.

Under the agreement, ISS will provide catering services across 3 sites. The contract starts in February 2025 and will run for 3 years. ISS has worked with the customer since 2023.

Cavit Habib, Country Manager of ISS Türkiye, said: "We are excited to strengthen our partnership with this valued customer. Our key focus will be to deliver exceptional food services that enhance employee well-being, engagement, and sustainability".
