

Phil Seaton Appointed Managing Director of NSS

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has announced that Phil Seaton has been promoted to Managing Director of Nationwide Specialist Services (NSS). Reporting directly to Chris Peirce, Managing Director of PTSG's [Building Access Specialists](#) division, Phil will take on a key leadership role as NSS continues to grow and evolve.

With a strong background in operations, service delivery and business transformation, Phil has played a pivotal role in the success of NSS. As Operations Director, he consistently delivered outstanding results, driving efficiency, innovation and customer satisfaction. More recently, he stepped up as acting Managing Director for Pure Power, demonstrating his ability to lead across multiple service areas within the Group.

Phil's career spans over two decades in specialist services, including roles that have seen him oversee major projects, develop high-performing teams and drive business improvements. His leadership style is built on a commitment to operational excellence and a deep understanding of customer needs, making him the ideal choice to take NSS forward.

Chris Peirce, Managing Director of PTSG's Building Access Specialists division, said: "Phil's promotion is well deserved and a great step for NSS. He has been instrumental in delivering results, improving efficiencies and ensuring we provide the best possible service to our customers. His knowledge, experience and leadership will be invaluable as we continue to grow and strengthen NSS's position in the market."

Phil's promotion is effective immediately, and we look forward to seeing him lead NSS into its next phase of success.
