

PTSG company regains place on ESPO Framework

5 months ago

Total Environmental Compliance (TEC), part of [Premier Technical Services Group Ltd \(PTSG\)](#), has been re-awarded a place on the ESPO Framework No: 198_25. This includes Legionella Risk Assessments, Inspection Testing and Maintenance, reporting, and emergency response call-outs.

ESPO is one of the largest professional buying organisations owned by the public sector in the country. For over 40 years, it has specialised in offering a diverse range of goods and services to the public sector.

TEC has been appointed to Lots 1, 2, and 3 of the ESPO Framework:

Lot 1 – Water System Risk Assessment Services: TEC employs a team of City and Guilds Qualified Risk Assessors who carry out Water System Risk Assessments across the UK, in accordance with ACoP L8, HSG274, and BS 8580:2019.

Lot 2 – Water Hygiene Monitoring Services: Monitoring tasks are undertaken by TEC’s team of experienced Water Hygiene Technicians in accordance with guidance documentation such as ACoP L8 and HSG274, ensuring customers remain compliant with industry legislation.

Customers will benefit from access to an online portal, which houses all compliance documentation in one central location. These services are available nationwide.

Lot 3 – Combined Services: TEC has the capacity and resources to deliver services under Lot 1 and Lot 2 within a single contract.

PTSG offers a wide range of services in industrial [water hygiene and water treatment](#), combining the specialist skills and knowledge of its engineers with the very latest cutting-edge tools to deliver high performance, safety and consistency. A trusted partner to its customers, PTSG ensures water safety,

protection from Legionella and decontamination from many other bacteria and viruses.
