

PTSG on the ball at Surrey Sports Park Centre

11 months ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist [Access & Safety](#) services at the University of Surrey Manor Park Sports Centre.

Based on Manor Park campus, the £36 million Surrey Sports Park facility offers sports for all, from gym users to elite athletes, social sport enthusiasts to fitness class lovers. Users benefit from discounted gym membership at the facility, giving them access to a huge range of facilities, classes and activities:

- A 50 metre, eight-lane, Olympic-standard swimming pool
- Newly refurbished 120-station gym and strength and conditioning area with nine Olympic platforms
- Three artificial pitches, including two 3G pitches
- Surrey Summit Climbing Centre
- Eight floodlit outdoor tennis courts
- Six glass-backed squash courts
- An indoor cycling studio
- Sauna and steam room
- Two large exercise and dance studios

- 1,000-seat arena space and additional indoor arena.

In this contract, engineers from [PTSG Access & Safety Ltd](#) will provide Mansafe systems and walkways at the facility. Mansafe systems comprising stainless steel wire rope, posts and fixings provide users with an approved, tested and inspected method of safe access/work. These systems can be horizontal, vertical and overhead.

Roof walkways provide a delineated access route that restricts the worker to safe zones when working at height. Walkways provide traction for user to prevent slips and trip, but also work to protect the roof surface from foot traffic.
