

## Mears Group reappointed as repairs and maintenance contractor for Govanhill Housing Association

12 months ago

**Mears Group** is pleased to announce its reappointment as the repairs and maintenance contractor for Govanhill Housing Association, responsible for the upkeep of approximately 3,000 properties.

The new contract, valued at £2 million per annum, spans an initial term of five years, with an option for a further five-year extension.

The contract covers a wide range of services, including reactive repairs, voids, medical adaptations and facilities – such as painting, and small-scale improvement works, including lighting, in communal areas.

As part of the ongoing commitment to supporting the local community, Mears Group is also in the process of appointing two trade apprentices – one joiner and one plumber – who will be selected from the Govanhill area.

Paul Timmons, Head of Operations, Repairs & Maintenance, Mears Group, commented: “We are delighted to continue our long-standing partnership with Govanhill Housing Association. This reappointment reflects our dedication to delivering high-quality services that benefit both the residents and the community.

“We look forward to working closely with Govanhill Housing Association to ensure that the properties under our care are well-maintained and our work continues to meet the high standards that everyone can be proud of.”

Keith Kintrea, local resident and Chair of Govanhill Housing Association added: “We are very pleased to

continue our partnership with Mears Group who will carry on providing essential repairs and maintenance services for our tenants. We are very encouraged by their decision to set up two apprenticeships for local young people, demonstrating their commitment to the wider community, and our own ethos as a community-based Association who provide more than just housing.”

The continued partnership with Govanhill Housing Association marks another significant milestone for Mears Group as it strengthens its presence and commitment to delivering essential housing services.
