

PTSG helps safeguard Manchester homes

1 year ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist electrical services at eight residential blocks in Manchester.

Pendleton Together Operating Ltd, a Private Finance Initiative between Together Housing, part of the Together Housing Group, and Salford City Council is the manager of the properties. Together Housing Group is a leading provider of quality, affordable homes for sale and rent in the north of England and provides a range of support services for over 40,000 people.

In this contract, engineers from [PTSG Electrical Services Ltd](#) upgrade and re-instate the lightning protection systems at the residential blocks, following re-cladding works. Crucially, PTSG's team will ensure the lightning protection systems offer the level of protection required by BS EN 62305.

PTSG is the UK's leading provider of lightning and surge protection services. Its highly skilled engineering team designs, supplies and installs bespoke systems for customers in all industry sector, as well as carrying out periodic testing and inspection. If any work is required following inspections, its engineers can ensure systems remain fit for purpose all year round.
