

Retender Success at The Point & New Appointment at Angel Square

1 year ago

Jaguar has been reappointed by Tishman Speyer at The Point for another three-year term following the completion of their tender programme. Additionally, they have also been appointed at their new development, Angel Square, which is set to complete in October, 2025.

Angel Square is a brand-new development covering over 200,000 sq ft, located directly above Angel station in EC1. The building features over 26,000 sq ft of outdoor and amenity space, and boasts both NABERS 5-star and EPC A ratings. For further information about this fabulous new development, please visit Angel Square: <https://angelsquare.london/>

The Point has been part of Jaguar's portfolio since 2022, spanning an impressive 235,000 sq ft over 11 floors. It features a large rooftop terrace and a private complimentary customer gym. For more details, visit The Point Paddington: <https://thepointpaddington.com/>

Edward Spencer, Business Unit Head commented: "We are delighted to continue our partnership with Tishman Speyer at both The Point and Angel Square. I would like to extend a special thank you to our engineering team, whose contributions were invaluable in retaining The Point. I look forward to collaborating with our team and the wider management to continue delivering first-class service at these two buildings."
