

Jaguar Re-secure One Westferry Circus

9 months ago

Located in Canary Wharf, One Westferry Circus has been part of [Jaguar's](#) portfolio for over 18 years. During this time, they have consistently received excellent audit scores for their engineering services at the building.

Currently, One Westferry is undergoing a complete refurbishment. Once completed, it will offer over 205,000 square feet of modern workspace, featuring new common areas and outdoor terraces.

Fred Graham, Account Manager commented: "We are collaborating with our customer at Helix to maintain a strong working relationship that delivers a first class M&E service. We look forward to the completion of the refurbishment of the building's second floor, scheduled for May 2025."
